<p>TP2 - 2010</p> <p>None</p>	<p>Add the following section, as a brand new section at II.M.5.e.iv, in Tournament Procedures (page 11):</p> <p>(iv) Records are recognized chronologically, by date only, regardless of match attended or relay participated in. If multiple competitors break a record on a given day, regardless of the match they attended or the relay on which they shot, each one is given full credit for breaking the record (including, but not limited to, IBS Record certificate and Precision Rifleman points), and the best score shot on that day is recognized as the record going forward. This rule shall <i>not</i> be retroactive.</p> <p><i>Agenda Item Rationale: As more clubs participate and more matches are held on identical days, combined with the fact that no one should be discriminated against based on their assigned or selected relay, this proposed agenda item will provide equal opportunity for all to set records on any given day.</i></p>
